One-Week FDP on Effective Research Paper Writing and Scholarly Publishing

ABOUT THE FDP

This FDP is designed to equip Nursing Faculty Members, Researchers, and Scholars with essential skills in scientific writing, scholarly publishing, and research communication. The programme covers the complete publication journey—from manuscript preparation and journal selection to peer review, publication ethics, and responding to reviewers' comments.

OBJECTIVES

- Understand the structure of a scientific research paper.
- Develop effective scientific writing skills.
- Conduct literature reviews and manage references efficiently.
- Use AI tools ethically in research and writing.
- Select suitable journals and avoid predatory publishers.
- Handle manuscript submission and reviewer comments professionally.

WHY JOIN THIS FDP?

- Learn the complete research publication process.
- Improve manuscript writing and publication success.
- Gain practical exposure to journal submission systems.
- Understand publication ethics and peer review.
- Enhance academic and research visibility.

WHO SHOULD ATTEND?

- Nursing Faculty Members
- Ph.D. Scholars and Research Scholars
- Postgraduate Students
- Healthcare Researchers

PROGRAMME HIGHLIGHTS

- ✓ Live interactive sessions on Effective Research Paper Writing and Scholarly Publishing.
- ✓ Comprehensive coverage from manuscript preparation to journal publication.
- ✓ Query discussion and doubt-clearing at the end of each lecture.
- ✓ Online self-assessment quizzes for revision and reinforcement of learning.
- ✓ Online Assessment Test (MCQ Based) at the end of the programme for e-certification.
- ✓ E-Study materials and session PDFs provided to all registered participants.
- ✓ Access to recorded sessions for future learning and revision.
- ✓ E-Certificate awarded upon successful completion of the programme.

PROGRAMME FEE:

- **TNAI Member: 400/- INR**
- **All others: 600/- INR**

**** TNAI Member need to submit their membership ID Card.**

- **E-Certificates will be provided to all the registered participants on successful programme completion.**
- **Access of Recorded Session and PDF Notes will be provided.**

5

27 June 2026 (Saturday)
5 PM to 6:30 PM

RESOURCE PERSON

Manuscript Submission, Peer Review and Responding to Journal Queries

- Preparing submission-ready manuscripts
- Writing effective cover letters
- Online manuscript submission systems
- Understanding peer review
- Responding to reviewers' comments
- Managing rejection and resubmission
- Increasing research visibility after publication

Dr. Sukhpal Kaur

Principal
National Institute of Nursing Education
PGI, Chandigarh

TEST

28 June 2026 (Sunday)
5 PM to 6:30 PM

Assessment Test (MCQ Based)

- 50 MCQ-based questions (1 mark each).
- Total Marks: 50 | Duration: 90 Minutes.
- The test must be attempted within the specified date and time as given above by the organizers.
- Successful completion of the assessment is mandatory for E-Certification.

One-Week FDP on Effective Research Paper Writing and Scholarly Publishing

ABOUT ORGANIZERS

TNAI UTTARAKHAND STATE BRANCH

The Trained Nurses' Association of India (TNAI) is a national organization of nurse professionals at different levels. It was established in 1908 and was initially known as Association of Nursing Superintendents.

The Government of India has recognized TNAI as a service organization in 1950. A similar recognition by all the State Governments has been an asset to the promotion of its objectives. Foundation stone for TNAI Headquarters Inaugurated by Smt. Indira Gandhi laid by Dr. S Radhakrishnan

INSTITUTE OF APPLIED STATISTICS, KANPUR

The Institute of Applied Statistics is a premier institution dedicated to building human resource capacity in Statistics through specialized training and multidisciplinary research. It conducts training programmes across the country and regularly organizes International, National, State, and Institutional level workshops for researchers and academicians. The Institute's mission is to develop skilled professionals to meet emerging research challenges. It offers short- and medium-term programmes, develops need-based training modules in collaboration with experts.

HIGHLIGHTS FROM PREVIOUS PROGRAMME

FDP on "Research Methodology & Biostatistics" conducted from 10 January to 15 February, 2026
